

# Gardening SATURDAY

## JOIN US FOR THE 11TH ANNUAL GARDENING SATURDAY IN SUPPORT OF GARDENS MANITOBA'S PROGRAMMING INITIATIVES

### WHAT

Educational workshops for both beginners and green thumb veterans

### WHEN

Saturday April 28, 2018 from 10AM – 4PM

### WHERE

Canadian Mennonite University North Campus, 500 Shaftesbury Blvd.

### SPONSORSHIP OPPORTUNITIES

Promote your business and interact with your targeted audience! We have different sponsorship levels for every budget that will grant you varied exposure at Gardening Saturday. You'll find our sponsorship package attached.

### TRADESHOW VENDOR

Join other Winnipeg gardening vendors and reserve your spot on the Trade Show floor today by registering for a vendor booth either online or with the attached application package enclosed.

## A WORD FROM GARDENS MANITOBA'S PRESIDENT & EVENT CHAIR

Though the snow will still be here for awhile longer, we're already getting ready for another great Gardening Saturday event! This year, we're changing the venue back to its original home and naming the theme "Back to our Roots."

Gardening Saturday 2018 will offer 12 educational workshops led by local gardening experts and enthusiasts. You'll be able to interact with many different gardening organizations and find new gardening clubs that suit your interests. We also have some great new ideas this year, such as a free screening of "Puttin' Down Roots," a documentary about spring in Manitoba that features local nursery Prairie Originals. If you have any additional questions or concerns, please feel free to contact me.
